A Vision for Art is a premier art exhibition in the southeast for both avid art collectors and casual buyers. Now in its sixth year, the event exhibits new and original works by well-known and emerging artists. Throughout the exhibit, St. Mark's Campus will bring in hundreds of guests from across the southeast.

The Opening Night Celebration on Friday, March 21 is a ticketed event, with Episcopal families, local collectors, decorators, artists, gallery owners, and art patrons in attendance. Tickets will be offered at \$125 per person. Free public shopping days offer additional opportunities to shop and view artwork.

In addition to showcasing art, *A Vision for Art* provides St. Mark's Campus students the opportunity to work in collaboration with some of the southeast's premier artists. Students will use various art media while having the opportunity to create one-of-a-kind works of art. These class projects are part of a silent auction.
